

Elective Treatment

You and your family have the flexibility to choose where, when and by whom you are treated upon your Doctor's recommendations.

Home Country Treatment

You and your family can elect to receive treatment in your home country as you desire.

Transportability

You and your family could enjoy a continued cover even if you are relocated. This is an important consideration for on-going family care, when comparing the benefits of Allianz Global Healthcare with a local plan and underwriting applicable to the region of relocation.

International Payment Guarantees

If you contact the emergency assistance centre in advance with the relevant information, Allianz will provide you with global payment guarantees so that you do not have to pay the hospital and / or emergency medical evacuation services directly.

Emergency Medical Advice and Assistance

The emergency assistance centre will provide medical advice, evaluation, referral and hospital admission assistance over the phone.

Emergency Evacuation Services and Repatriation

In extreme emergencies, air or surface evacuation to the nearest suitable hospital (where medically appropriate) can be arranged. In the event of death, Allianz can arrange for either repatriation of the body or local burial.

Important Note

Please note that this is a summary of the policy benefits. For policy wording and more information, please contact Allianz. This policy is governed by and shall be constructed in accordance with laws of Sri Lanka.
